Template V4 1.04.2019

Notes:

- Scores must be entered online on the league's website at <https://wed.huahinpool.org> by one of the captains
- You can save the progress of the match continuously during the match (tap "Save")
- Players need to be entered in the first bracket only, the website will fill in the other brackets automatically
- Teams consist of 4 players. It is possible to play with 3 players, if a team is unexpectedly short of a player.
A different player must replace Player D in each bracket. For each replacement 1 rack penalty will be recorded.
- The Visiting Team breaks first in 8- and 9-Ball, the Home Team breaks first in 10-Ball.
- Teams are asked to respect the playing venue by ordering an appropriate amount of drinks.
